Dear Sir/Madam,

The Chief Minister's Relief Fund (CMRF) is a Trust registered under the Bombay Public Trusts Act, 1950; managed by the State of Maharashtra under the chairmanship of the Hon'ble Chief Minister of Maharashtra who exercises overall supervision and control of the Chief Minister Relief Fund.

1. The Government vide its resolution no CRF-2001/PC 117/2001/25 dated 15.11.2001 has set the objects of the Trust. Following are the Objectives of The Chief Minister's Relief Fund (CMRF):-
 - To assist affected persons in natural calamities in the State as well as in the rest of the country.
 - To extend financial or any other help to the heirs of persons who have died in communal riots and those people who have suffered injury and/or loss to their property.
 - To extend financial or any other help to the heirs of persons who have died or are injured in terrorist attacks. To extend financial or any other help to the heirs of persons who have died or are injured in terrorist attacks.
 - To extend financial or any other help to the patients suffering from diseases by providing for their treatment and/or surgery.
 - To extend financial or any other help to the heirs of those who have died in accidents. (Excluding motor/railway/airplane/ship accident).

2. Objectives

The essence of audit policy is to ensure adequate independent, professional audit assurance that the funds received by implementing agencies were used for the purposes intended, that the annual project financial statements are free from material misstatement, and that the terms of fund release were complied with in all material respects.

The objective of the audit of the Financial Statement (FS) is to enable the auditor to express a professional opinion as to whether

- (1) The FS give a true and fair view of the sources and applications of project funds for the period under audit examination;
- (2) The funds were utilized for the purposes for which they were provided,
- (3) The procurement procedure has been followed as per the norms; and
- (4) In addition, where applicable, the auditor will express a professional opinion as to whether the Financial Management Reports submitted by management may be relied upon

The books of account that provide the basis for preparation of the FS of the trust are established to reflect the financial transactions of the trust and are maintained.

3. Audit Standards

The audit will be carried out in accordance with the Auditing Standards promulgated by the Institute of

Chartered Accountants of India. The auditor should accordingly consider materiality when planning and performing the audit to reduce audit risk to an acceptable level that is consistent with the objective of the audit. Although the responsibility for preventing irregularity, fraud, or the use of credit/loan proceeds for purposes other than as defined in the legal agreement remains with the borrower, the audit should be planned so as to have a reasonable expectation of detecting material misstatements in the project financial statements.

4. Audit Scope

A) In conducting the audit, special attention should be paid to the following:

- All funds/donations have been used in accordance with the conditions of the relevant legal provisions and only for the purposes for which the funds/donations was provided.
- Effective financial management systems, including internal controls, were in operation throughout the period under audit examination. This would include aspects such as adequacy and effectiveness of accounting, financial and operational controls, and any needs for revision; level of compliance with established policies, plans and procedures; reliability of accounting systems, data and financial reports; methods of remedying weak controls or creating them where there are none; verification of assets and liabilities; and integrity, controls, security and effectiveness of the operation of the computerized system; and
- All necessary supporting documents, records, and accounts have been kept in respect of all transactions including expenditures reported
- Accounts have been prepared in accordance with the accounting principles and give a true and fair view of the financial position of the project at the year end and of resources and expenditures for the year ended on that date; and
- Goods and services financed have been procured in accordance with the procurement norms
- Tax audit of the trust for the Audit Period.

B) Financial Statements

1. Financial Statements should include:
 - Receipts & Payments Account, Income & Expenditure Accounts and Balance Sheet or the financial statements as per the conditions specified in the Bombay Public Trusts Act, 1950
 - Reconciliation of Claims to Total Applications of Donations/Funds
2. Other Statements or Schedules which will include:
 - An annexure separately listing cumulative trust expenditures;
 - A detailed list of assets created or purchased
3. Management Assertion: Management should sign the project financial statements and provide a written acknowledgement of its responsibility for the preparation and fair presentation of the financial statements and an assertion that Trust funds/donations have been expended in accordance with the intended purposes as reflected in the financial statements.

C) Statements Of Expenditures And Financial Management Reports

In addition to the audit of the FS, the auditor should apply such tests as the auditor considers necessary under the circumstances to satisfy the audit objective. In particular, these expenditures should be carefully examined for eligibility by reference to the relevant GoM norms. Where ineligible expenditures are identified, these should be separately noted by the auditor.

An audit report on the financial statements should be prepared in accordance with the Auditing Standards promulgated by the Institute of Chartered Accountants of India. Those standards require an audit opinion to be rendered related to the financial statements taken as a whole, indicating unambiguously whether it is unqualified or qualified and, if the latter, whether it is qualified in certain respects or is adverse or a disclaimer of opinion. In addition, the audit opinion paragraph will specify whether, in the auditor's opinion, the funds/donations were utilized for the purposes for which they were provided.

The financial statements and the audit report should be received by the state government within 1 month after completion of the audit for the fiscal year. The auditor should also submit the two copies of the audited accounts and audit report to the trust.

D) Management Letter

In addition to the audit report on the financial statements, the auditor may prepare a management letter containing recommendations for improvements in internal control and other matters coming to the attention of the auditor during the audit examination, possibly including matters such as the following:

- + observations on the accounting records, systems, and controls that were examined during the course of the audit
- + deficiencies or weakness in systems and controls, together with specific recommendations for improvement
- + the status of recommendations from previous management letters, including any issues which remain to be addressed and any issues which recurred
- + any other matters that the auditor considers pertinent.

The auditor should supply copy of the management letter together with the audit report on the financial statements. In the event that no management letter is issued, the auditor should supply a written advice to that effect together with the audit report on the financial statements.
